John
Dear Mr. McMahon:

On behalf of the SIG members, I would like to express our appreciation to you for your outstanding presentation. We are all supportive of your efforts to raise the priority of technology transfer issues in allied intelligence services. There is also a compelling need to increase the salience of this issue in MODs, MFAs and Ministries of Trade. You can be assured that I fully support these endeavors.

Again, I appreciated your appearance at the SIG and your presentation.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bill".

William Schneider, Jr.

The Honorable
John N. McMahon,
Deputy Director of
Central Intelligence.
